COMMENTS FROM THE TOWN MANAGER'S OFFICE

The 1963 excise taxes are running about a thousand dollars ahead of the same period last year. There has been \$19,900 paid to date this year to \$18,700 for the corresponding period last year. The amount of excise tax paid is dependent on two factors. The factors are the number of cars excised and the amount paid per vehicle. The number of vehicles excised this year is about the same as last year but the amount paid per vehicle has increased. There are more new and late model cars being excised.

There have been about 115 people pay their tax bills for this year. There are certain ones that pay their bill just as soon as they receive it. Several people have been in the office to have small errors corrected. I would like to ask again any person with a question regarding their tax bill to call the office or stop at the office and get it cleared up now.

The town road improvement job is progressing very satisfactorily and should be finished by the end of this week or the first of next week. There is still the town road improvement in Mason Township that will take another week to complete after our own is finished.

PLAYERS ANNOUNCE FUND TOTALLING \$432.49

Bethel Players wish to announce that the "Bethel Community Center Fund," on deposit in the Bethel Savings Bank, now stands at \$432.49. An \$11 donation was received on behalf of former members of the Mystery Club; and a \$40 donation on behalf of the former Bethel Players club.

Bethel Players reactivated last spring for the purpose of continuing with the effort of the Fund, which was started by interested Bethel citizens. They have agreed that all proceeds from their productions will be added to this Fund; and the public will be kept informed of all donations.

Jimmie Perkins celebrated his 13th birthday with a party after school on Tuesday. The boys enjoyed a scavenger hunt, which was won by Phillippe Rolfe and Bill Eames. Upon their return from the hunt they were treated to a pan-cake Smorgasbord supper, which was topped off with birthday cake and ice cream. The boys present were Phillippe Rolfe, Bill Eames, Ned Robinson, David Hutchins, Dickie Waldron, Tom Davis, Jimmie Young, and the honored guest.

Mrs. John W. Tebbets flew to the home of her parents in Maplewood, N. J., on Wednesday, called there by the death of her brother, Robert Dickson, of Upper Montclair, N. J.

Mr. and Mrs. Kenneth Buck were tendered a surprise housewarming Saturday night at their new home on the Locke Mills-Bethel road. They were presented a money basket from their many friends and relatives. A social evening was enjoyed. Music was furnished for dancing by Mrs. John Nowlin and son, Donald, and Brian Buck.

METHODIST SUNDAY SCHOOL TO HAVE SENIOR HIGH GROUP

A new Methodist Sunday School group for senior high school students will begin on Sunday, Sept. 29. Stanley Davis will be the group teacher and the group intends to study matters which directly affect teenage students. Although the group studies will be oriented around a textbook, the group will be selective about the specific subjects to be covered and the order in which they will be studied.

This is the first time for several years that the Methodist Church in Bethel has offered a class specifically for senior high students. It is hoped that there will be a connection between the class in the morning and the Senior High Methodist Youth Fellowship which meets at 6:30 P. M. each Sunday. Due to the fact that some of the students sing in the choir, the group will meet at 9:30 each Sunday instead of 9:45 when other classes convene.

"BOOTSTRAP" SEEKING SOLUTION TO POTATO INDUSTRY'S PROBLEMS

Governor John H. Reed pledged in Presque Isle last week end that he would "support all the way" the new "Operation Bootstrap" which is designed to help solve the problems of the hard-pressed Maine potato industry.

Governor Reed, at a meeting at the Northern National Bank with leaders of the potato industry, business and finance, described the situation as "discouraging," but added, "We are going to fight back and fight hard."

He urged all citizens to support "Operation Bootstrap."

Dean Winthrop C. Libby of the University of Maine warned "people don't know how critical our situation is. The total debt of our potato farmers is estimated to be 60 million dollars, which averages out to \$400 an acre for every acre in potato production. We face widespread liquidations among our farmers."

Libby praised "Operation Bootstrap" for its "initiative and imagination."

Harold E. Bryant, executive vice president of the Maine Potato Council and developer of "Operation Bootstrap" told the meeting "our present marketing system has completely broken down."

"Operation Bootstrap" advocates wide industry reforms in marketing, quality control, storage, credit and merchandising. "There is plenty of room for the small grower," Bryant said, "but not for small sellers in today's fruit and vegetable markets."

He explained that major markets cannot rely on Maine potatoes because each grower is selling for himself. Most growers

BETHEL PLAYERS TO HOLD SPECIAL MEETING NEXT TUESDAY

Bethel Players will hold a special meeting on Tuesday, Oct. 1, at 8:00 p. m., at the home of Mrs. Richard Thompson, who will be assisted by Mrs. Fenton Robertson and Mrs. Robert Tift on refreshments.

Supporting committees will be selected for their first production, "You Can't Take It With You," scheduled for November 22 and 23.

All members and anyone interested in joining this group are urged to attend.

NAME G. O. P. FINANCE CHAIRMEN

Norman K. Ferguson Sr. of Hanover, Oxford County chairman of the Republican finance campaign, has announced a nearly complete list of finance chairmen of the various towns in the county. Other appointments will be made shortly.

Although the list of chairmen is not complete, any contributions would be appreciated. These should be sent to your town finance chairman or directly to Norman K. Ferguson, Hanover. Checks may be made payable to the Maine Republican Finance Committee. Contributions received will be credited to the town from which they come. These direct contributions will save a great amount of effort on the part of the local chairman.

The county quota for 1963 was set at \$4,500. Of this amount, \$2,000 is expected from advertising proceeds from the Maine Political Yearbook.

The state-wide drive will close in early November, and there will be a recognition dinner for the workers and contributions. It is hoped that Ox-

hold their potatoes until winter or spring hoping for a better price. As a result the big markets, not sure of their Maine supply, have turned to other sources.

Banker James Pierce of Houlton said that Maine did not keep up quality in potatoes shipped out-of-State, making housewives wary of Maine potatoes.

He advocated passing legislation which would make it impossible to ship culls out-of-State. Pierce explained that some of the big citrus producing states had similar legislation.

Among those present at the meeting were Hazen Stetson, president of Maine Public Service; Howard Cousins, vice-president of the Bangor and Aroostook Railroad; S. W. Collins, president of the Aroostook Trust Company; Philip Tingley, president of the Houlton Trust; E. L. Newdick, Commissioner of Agriculture; and Wendell Phillips, president of the Northern National Bank.

On Oct. 8th Crescent Park School will start its annual magazine campaign under the direction of the Curtis Publishing Company.

Because of the wonderful cooperation of the citizens of this area last year's campaign was very successful.

The money raised from the campaign is used for school library, playground equipment and audio-visual material.

Once again we urge your support in making this year's campaign a successful one.

PTA MEMBERSHIP DRIVE TO START MONDAY

The P. T. A. membership drive for 1963 will be in progress from September 30 to October 7, with Mr. and Mrs. Colwyn Haskell and Mr. and Mrs. Ronald Kendall as the committee in charge.

During this week, pupils of the Bethel schools will be calling on you for your donation. Everyone, whether they have held membership in the past or not, is urged to support this drive.

Prizes of silver dollars will be awarded to the leading salesmen in each grade and in the East Bethel and West Bethel schools.

SHOPKEEPERS REMINDED OF CIGARETTE SALES LAW

Laws of this state prohibit the sale of cigarettes to persons under the age of sixteen years.

A Portland judge recently imposed a token fine of \$10 on a storekeeper in the hope that other storekeepers would take notice and make an effort to cease sales to underage customers. The defense attorney in this case said he was certain the clerk didn't realize that the cigarettes were for the customer's (9 years old) personal use.

Such sale is illegal even if a note from a parent or guardian is presented at the store. It is suggested that if the age of the customer is in doubt, sale should be refused.

NEW SKI TRAIL AT MT. ABRAM

The Cross brothers, owners and managers of the Mt. Abram Ski Slopes at Locke Mills, have prepared another trail for the enjoyment of the public. The new trail, carefully cleared and groomed, will be one and a quarter miles long, starting at the top of the mountain to the right of the 3,350 foot T-bar, curving and winding its way downward through evergreens and hardwoods to the base of the mountain near the lodge. The scenic route aptly titled Bullwinkle's Special, will provide challenges to the intermediate skier.

Facilities are in readiness for the first snow, the managers state. All trails, including Capt. Penchfuzz (novice), Dudley Do-Right (intermediate), Boris Badenov (advanced intermediate) and Fearless Leader (expert) have been carefully checked for washouts.

The ski school will again be headed by Jerry Smith of Bethel, who acquired Eastern U. S. certification last March.

Near the mountain, building sites are now available to the skiing family or enthusiast. The Cross brothers have surveyed more than 35 plots of land at the base of Mt. Abram.

Mrs. Violet Swain, Corres.

The September Ladies Aid Committee met with Mrs. Barbara Richardson last week to plan the month's project. Mrs. Alize Sennett will be chairman. It was decided to send jars throughout the town for donations. Others on the committee are Mrs. Louise Dunn, Mrs. Virginia Hiltz, Mrs. Blandine Falkenhain, Mrs. Darlene Andrews, Mrs. Eva Hutchins and Mrs. Florence Michaud.

Mrs. Hattie Farrington, Norway, spent last week at her home in East Andover.

Mr. and Mrs. Milan Gammon, Rumford Center, are the parents of a daughter, Katherine, born at the Rumford Community Hospital on Sept. 9. Mr. and Mrs. Ira Gammon, Sr., East Andover, are paternal grandparents.

Mr. and Mrs. Harold McCulloch have named their infant son, Harold Leroy Jr.

Mr. and Mrs. Roger Tuttle have returned to Norway after spending a few days at the Farmington Camp at Roxbury Pond. Mrs. Tuttle was the former Bernice Maddix, RN. She graduated from Maine Medical Nursing School Sept. 7 and will be on duty at the Stephen's Memorial Hospital in Norway.

The annual school pictures were taken in the two Andover Schools on Sept. 17.

Mrs. Roberta Abbott Cox and Charles Haney, Zeigler, Ill., were married on Sept. 7. Mrs. Haney will be remembered as Roberta Abbott of South Andover. The couple will reside in Zeigler, Ill. Mrs. Haney has three children by her first husband who died four years ago.

Chief Bulger of the Rumford Fire Department will be the guest speaker at the October 2 meeting of the Andover PTA.

An "Appearance Workshop" conducted by Ruth DeCoteau of the Home Extension will begin on Sept. 23 at the Andover Gymnasium at 2:00 p. m. There will be six meetings on Sept. 23, 27 and 30 and October 3, 7 and 11. The Andover High School girls are invited to participate. The subjects in this project are Diet and Health; Posture and Exercise; Foundation Garments; Grooming and Makeup; and Over-all Appearance.

Jeffrey, youngest son of Mr. and Mrs. Keith Hodadon, broke his left arm on Sept. 10. After spending two days at the Rumford Community Hospital he was transferred to the Maine Medical Center in Portland. Jeffrey broke the arm in the same place last year.

Schools in town will be closed October 2, 3, and 4 for County and State Teachers Conventions.

A meeting of the Needlework and Crafts Class for ages 11 years and through high school was held at the home of the instructor, Mrs. Dorothy Stillman, this past week. Plans were made for classes to begin on Sept. 26 and no more registrations may be accepted. Signing up for the classes that will meet at 7:00 P. M. are Ruth Bodwell, Marsha Meisner, Vickie Simmons, Betsy Hutchins, Penny Poor, Peggy Mills, Paula Poor, Donna Meisner, Becky Learned, June Bailey, Neila Smith, Brenda Hodadon, Katy Feener, Alice Smith and Ruth Barker.

Registration for Junior members of the Arts and Crafts Classes was held this week. Instructor will be Mrs. Dorothy Stillman and classes will begin on Sept. 26. Anyone who belonged last year will pay a 50c registration fee and new members \$1.00. These youngsters do not have to belong to the Arts and Society as they did last year.

Mr. and Mrs. R. J. Swain spent a few days last week with

their daughter and son-in-law, Mr. and Mrs. Leonard Entin and family in Wayland, Mass. Their daughter-in-law drove them to Kennebunk where they were met by their daughter.

Mr. and Mrs. Ed Miller and two sons, James and Edward, have moved to Dixfield.

Mr. and Mrs. Charles Cutting flew in his plane on Sept. 15 to Rochester, N. H., where they visited with his brother, and sister-in-law, Mr. and Mrs. Wallace Cutting of Dover, N. H.

Andover High School classes have elected their class officers: Seniors: President, Harlan Libby; Vice President, Donald Smith; Secretary, Archie Howard; and Treasurer, Leon Littlehale.

Juniors: President, Margaret Smith; Vice President, Victoria Michaud; Secretary, Donna Stinson and Treasurer, Virginia Bell.

Sophomores: President, Raymond Hutchins; Vice President, Roger Jones; Secretary, Donna Meisner and Treasurer, Carilyn Simmons.

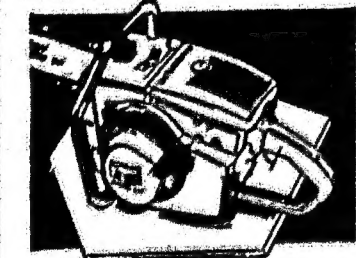

Freshmen: President, Frankie Emerson; vice president, Victoria Simmons; secretary, Roger Mills III; treasurer, R. Perry Stinson.

RALLY DAY AT
METHODIST CHURCH
SUNDAY, SEPT. 29

A cordial invitation is being extended to all parents of children attending the Methodist Sunday School to be present at a special program during the Sunday School hour on Sept. 29. This is the annual Rally Day and Promotion Sunday observance, and the children should bring the special offering envelopes which have been given to them.

There will be a rehearsal for the program from grades one (Mrs. Lutton's class) through six (Mrs. Greenleaf's class) at 10 o'clock, Saturday morning, Sept. 28.

SENIOR M. Y. F.

The Senior Methodist Youth Fellowship got off to a real start with a planning session and the first meeting Sunday, September 15. The officers for the coming year are: President, Judy Judkins; Vice President, Matt Brooks; Secretary, Kathy Clemons; Treasurer, Dan Davis. The group also elected five area chairmen. They are: Faith, Randy Chretien; Citizenship, George Nickerson; Witness, Vivian Brown; Outreach, Mike Chretien; Fellowship, Brian Buck.

There were twenty-six present at the first meeting. At the second meeting on Sunday, Sept. 22, there was a discussion in skit form concerning the M. Y. Fund. With a knowledge of this fund, the group then made out personal pledges.

The MYF's first project will be a general clean-up of the church. Also, a number of people said they would be interested in joining a high school Sunday School class. The attendance at the second meeting was twenty-seven.

The MYF is proud to announce that Judy Judkins, the president, having written an essay last spring, has been chosen to join the Maine Council of Churches' 1963 World Order Caravan for a tour of the United Nations this October.

NOVELIST TO ADDRESS
MAINE TEACHERS

Robert Penn Warren, Pulitzer prize winning poet and novelist will speak at sessions of the Maine Teachers Association convention October 3-4 in Lewiston.

James O. Vickery, Brewer, chairman of the MTA English Department, said Warren will speak October 3 at 3 p. m. at the Lewiston Armory. He will appear the following morning at the Central School Auditorium in Auburn to take part in a discussion and question period about the writing of English.

Warren received the Pulitzer prize in 1947 for his novel, "All the King's Men" which was later an award-winning motion picture. His second Pulitzer award, for poetry, was made in 1953.

Mr. Warren, who is professor of English at Yale, has had a long career as a college teacher. He has taught at Southwestern College, Vanderbilt University, Louisiana State University, and the University of Minnesota. He is co-author of college textbooks in rhetoric and literature.

He graduated from Vanderbilt and studied at the University of California and at Oxford University as a Rhodes Scholar and has been twice awarded Guggenheim Fellowships for writing and is a winner of the National Book Award.

Some of his books are "Band of Angels," "At Heaven's Gate," "The Cave" and most recently, "Wilderness."

In 1944-45 he was poetry consultant to the Library of Congress.

attending county convention in Buckfield on Oct. 2.

The Bethel School Committee has voted the following policy into effect:

Students who have received a diploma showing graduation from grade twelve, or who have completed such a program and are eligible for such a diploma from a recognized high school, Academy or other secondary school offering a program extending through grade twelve, will not be eligible for any further tuition payment by the town of Bethel.

MAINE'S IFYE DELEGATE
TELLS OF FINNISH LIFE

The languages may differ, but the people, the country and such things as taxes and farm chores that never seem to end have made Finland and the U. S. seem much alike to Diana S. Norman of Waterville, Maine's 1963 International Farm Youth Exchange delegate to Finland.

Diana, an extension agent on leave from the University of Maine's Cooperative Extension Service in Presque Isle, has spent the last four months as a member of various host families throughout Finland.

This has been a period of "learning by living" for both Diana and her host families. Sometimes the learning is difficult—communications are a problem when people know only a word or two of the other's native tongue.

But with the help of a gesture or pointing a finger, the assistance of a Finnish-English pocket dictionary and a few badly mispronounced words, the idea is finally put across.

Diana's first host family in Finland faced a problem common to many Maine homeowners, particularly this time of year. They purchased a farm recently and paid what they thought to be a reasonable tax bill.

But this year they were surprised to find that the taxes were increased because their land was suitable for house lots, and future zoning plans call for the farm to be redesignated

BOY SCOUTS

On Thursday, Sept. 12, the Scouts met at the Congregational Church and opened with the Scout Oath, Scout Laws and the Pledge of Allegiance. We chose new Patrol Leaders as follows:

Pine Tree Patrol: Leader, Jimmy Young, Assistant, Parker Conner.

Pioneer Patrol: Leader, Ivory Carrier, Assistant, Mike Heino.

Eagle Patrol: Leader, David Hutchins, Assistant, Allen Remington.

Wolf Patrol: Leader, Lloyd Sweetser, Assistant, Dickie Waldron.

Cobra Patrol: Leader, Ned Robertson, Assistant, Doug Farrar.

On Sept. 19 the Boy Scouts work on first class rank, studied the Morse code, Clarence Remington took new boys, Craig Walker, Tommy Remington, Mitch Robertson, and worked with them for tenderfoot rank. We closed with the Scout benediction. Troop Leaders present were Stan Davis, Ernest Perkins and Clarence Remington. Scribe—Doug Farrar.

SEN. MUSKIE REPORTS

As this is written, the Senate is expected to ratify the Nuclear Test Ban Treaty on Tuesday, September 24. I have decided to cast my vote in favor of ratification of the Nuclear Test Ban Treaty. I took this decision only after considerable thought and study. I read the Treaty, the President's messages, the Committee reports and the various analyses.

I have no illusions about the Treaty. I do not expect that it will mean an end to all our international problems. I do believe the Treaty is what the President says it is: a way to "get back from the shadows of war and seek out the way of peace."

If we should reject the Treaty, it seems to me that would be rejecting the possibility of a rational relationship between ourselves and the Soviet Union, and we would be accepting the inevitability of force as the only conceivable arbiter of our differences.

The President has assured us that our nation will maintain the readiness to conduct nuclear tests in case the terms of the treaty are broken. Given the existence of this safeguard, it would appear that ratification of the Treaty holds the promise for peace, security and survival.

The alternatives are clear—a continued armaments race as opposed to first step toward a peaceful world. I am sure that all members of the Senate are impressed with their grave implications. I have chosen the course offered by the Treaty in the hope and belief that it holds the greater promise for the future of mankind.

a residential area.

According to Diana, the subject of taxes is one of the three most popular conversational topics. The other two are the weather and business.

The hunting season started recently in Finland, and the woods there reminded Diana of those in Maine—many hunters and only a few birds. She explains that there is no limit on birds, but hunters are only allowed one elk apiece.

During these past few months, Diana has been doing such chores as haying, preserving berries and cooking a wide assortment of American foods to satisfy her Finnish families' curious taste buds. Many of her recipes, such as raspberry pie, bring calls for "more." But some American foods like dandelion and beet greens bring a polite "No thanks" when seconds are offered.

On the other hand, Diana has found that some of the irresistible Finnish pastries are as hard on the waistline as an American pie and a few of the more unusual foods are sometimes difficult to swallow.

In spite of hectic schedules and making new friends, Diana has found time to rush off to Helsinki to buy a new bathing suit, visit the fairdresser for a permanent and attend local dances. From her reports, it appears that Diana may possibly find it as difficult to leave Finland next November as it was to leave the U. S. for her tour as Maine's 1963 IFYE delegate.

MCINTIRE ANNOUNCES

SIX VACANCIES IN QUOTA
FOR SERVICE ACADEMIES

Rep. Clifford G. McIntire of Maine's Second District announced today that he will have three vacancies in his quota at the United States Military Academy to fill in 1964, two at the Naval Academy, and one at the Air Force Academy. He is privileged also to recommend ten names to compete for appointment to the U. S. Merchant Marine Academy at Kings Point, New York.

On Saturday, November 9, 1963, the Civil Service Commission will conduct a screening examination to aid members of Congress in the selection of nominees to the service academies. Congressman McIntire will use this examination as a basis for selecting his academy nominees.

Mr. McIntire urged all young men in his District between the ages of 17 and 22 on July 1st of next year who are interested in competing for one of the above appointments to write him at 239 Cannon House Office Building, Washington, D. C., not later than October 5, 1963, in order that arrangements may be made for them to take the screening examination on November 9.

In applying, each applicant should give his full name, date of birth, home address, the names of his parents, the name of the high school from which he is graduating or has graduated, his height and weight, and the order of academy preferences.

On a pleasant Saturday when sisters could help with the work, a man and his son knew they would have something like beef stew for dinner—a meal readied the day before. But beef stew and a quarter of an apple pie were always acceptable, and one knew that the kettles of bubbling goodness on the stove meant pleasure and tasty accompaniments for satisfying meals through the fall and winter.

As a lad worked along filling the woodshed, the smell floated through the open windows and he inhaled deeply. When he went in for a drink of water and a few cookies from the jar in the pantry, he took a look at the shimmering, fragrant pickles-to-be. Sometimes these mellow fall days he thinks he can catch those smells again—floating by on a September breeze.

COUNTRY FLAVOR

PICKLIN' SMELLS

The countryman has read there is a distinction among the words smell, fragrance and aroma, and probably there is when you are considering the names used to advertise the perfumes that cost their weight in gold dust.

About this time of year when Summer and Autumn are getting ready for a summit conference, a nostril-tickling, tangy, heady smell comes from the farm kitchen. It may be an electric, gas or kerosene stove today; but the pungent, far-carrying, sweet-spley smell is the same that one remembers from the long-ago days of wood-burning stoves.

Mother had a goodly number of cherished recipes for tomato chutney, sweet cucumber pickles, corn relish, watermelon rind, mustard pickles, bread n' butter pickles, pepper relish,

Expect great things from Chevrolet again-for '64

Today... Jet-smooth Luxury '64 CHEVROLET

'64 Chevrolet Impala Sport Sedan—one of 16 Jet-smooth luxury Chevrolets.

Chevrolet was luxurious before, but you should see it now. With smart new styling, the '64 Chevrolet looks even longer (but isn't). There's even a whole new series this year—the Impala Super Sports—with front bucket seats as standard equipment. (The new Impalas and Bel Airs are more luxurious,

too. Even the lowest priced Biscaynes have new foam-cushioned seats front and rear and are fully carpeted.) Of course, you expect more than just luxury from Chevrolet. A choice of 16 power teams, for instance—a 6 and six V8's up to 425 hp (optional at extra cost). And quieter transmissions. Jet-smooth

ride with Full Coil suspension. Flush-and-dry rocker panels, Delcotron generator, self-adjusting brakes and other low-upkeep features. If you've ever wondered how luxurious Chevrolet could get—with all the extra-cost options there are to choose from—that seems to be entirely up to you.

Take your first look at the first CHEVELLE!

CHEVELLE! by Chevrolet

New Chevelle Malibu Super Sport Coupe—one of 11 models in three great series.

You've never seen anything like this totally new line of cars before. Chevelle is new in everything but Chevrolet quality. Chevelle is a good foot shorter than the big cars, so it parks easily. Yet the interior dimensions of its body by Fisher provide a generous amount of head, leg and shoulder room. (Chevelle's trunk is big and roomy, too.) The ride is surprisingly smooth with a rugged coil spring at all

four wheels. And not so surprisingly for Chevrolet, the new Chevelle offers a choice of engines ranging from an economical 120-hp 6 to a 220-hp V8 (optional at extra cost.) Choose the Chevelle you like best from the three series—the Malibu Super Sport, the Malibu and the 300 Series, eleven models in all—at your Chevrolet dealer's. (Like this good-looking Malibu Super Sport, maybe?)

WSCS MEETS

The general meeting of the WSCS was held at the Annex of the Methodist Church Thursday evening. Devotions and program were in charge of Mrs. Donald Walker, and Mrs. Malcolm Mundt, with Mrs. Phillips Brooks at the piano.

After the business meeting refreshments were served.

BROWNIE FIELD DAY

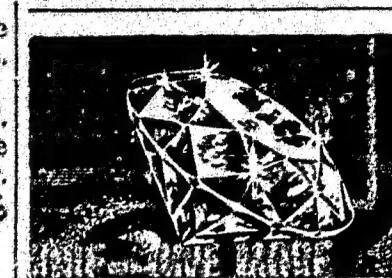

Thirty-two Brownies and seven mothers and leaders enjoyed a field day at Littlefield Beaches on Sept. 21. After an opening ceremony, the girls were divided into groups for a scavenger hunt. This was followed by a treasure hunt which was won by Vicki Parker.

After lunch the groups were formed on different parts of the field for games which were rotated every ten minutes.

A hike around the beaches then a relay game followed by group singing at Ginny Keniston's camp ended the day's activities.

Attention mothers of former Girl Scouts and last year's third grade Brownies: If you have any uniforms and wish to donate or sell them please contact Hope Tibbets or Virginia Keniston.

They will all appear at school Thursday in attire designated by the senior class.

Who's Your Printer?

- Does he do good work at a fair price?
- Does he give satisfactory delivery?
- Does he offer ideas, if desired, in designing printed matter to meet your needs?
- Does he have connections with specialists who will provide service in lines not economically produced in the ordinary printing plant?
- If he can't do your work when and as you want it done, does he say so?

If you have or expect to have printing problems, why not call the Citizen Office — 824-2447
